ABOUT

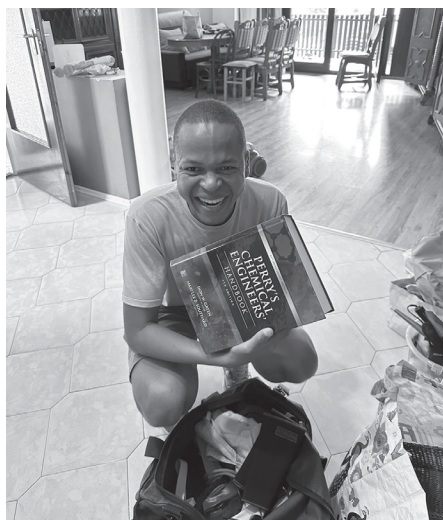

AMANDA and JON have passion for sharing the hope of Jesus in Europe. Faith in Christ is sometimes hard to find in this continent that was once considered Christian. Yet, Jon and Amanda believe that God is at work in surprising ways. They serve through ministries of evangelism, discipleship, theological

education, and church planting. Amanda specializes in community building and Jon focuses on discipleship and evangelism. They bring more than twenty years of ministry experience as they reach out to immigrant communities, student populations, and churches that face changing demographics. Jon also provides theological training for emerging church leaders and local pastors.

Happy smiles as he receives new chemical engineering books.

“ MINISTRY STORY

English Bible study in Debrecen, Hungary looks a lot like the early church. Every week, people from all nations gather together in Christian community, sharing a simple meal, proclaiming the gospel, and meeting in small groups for prayer and discipleship. There is also a sharing table available where people can give away items or take what they need. For college students, this is usually food or clothing. Sometimes, however, very special items are shared.

In 2019, when the Bible study began, a student named Owen was a big help. After graduating, he moved back home and immediately found work. Owen had planned to return for his ceremony, but COVID-19 changed his plans. He had left a duffel bag with us filled with valuable resources and books. When we contacted him a few years later, he generously told us to give it to another chemical

engineering student. As only God could orchestrate, that same day, a young man named Happy was helping us. Would you believe that he was the only chemical engineer in the Bible study? When he opened the bag, a huge smile came across his face, and we were all filled with awe at the way Jesus was shining through our Bible study community.

SCRIPTURE

“They devoted themselves to the apostles’ teaching and to fellowship, to the breaking of bread and to prayer. Everyone was filled with awe at the many wonders and signs performed by the apostles. All the believers were together and had everything in common.”

Acts 2:42-44 (NIV)
