“ MINISTRY STORY

I am serving in Mexicali helping at the Baptist Theological Seminary's library and also assisting the students with their technical needs. Routinely, I visit churches and help with their ministries: feeding the homeless, doing community outreach and evangelizing in the open market.

Our students include a range of people— young adults, pastors and lay leaders. One of our graduates in 2023 was Emeterio Mata Beltran. He was very happy that he finally finished the 4-year program. Before he started taking classes in the seminary, he used to travel to different parts of Mexico doing missionary work. Emeterio mentioned that he was motivated to start the program so he could prepare himself to better serve in God's work. In another conversation, he also mentioned that during the four years he was at the seminary, he learned something very important: “In Christian doctrine, I had to make some changes in my beliefs that I traditionally had. With the help of the classroom teachers and their teachings, I learned the biblical fundamentals necessary to have healing in my walk as a child of God.”

Emeterio Mata Beltran is just one of our many students in the seminary who has the heart to serve God through his beloved people. I am blessed to know Brother Emeterio, and I am grateful that I was given the privilege to be walking alongside the students to help and guide them in preparations for a bigger purpose in their lives, for the glory of God.

PRAYER REQUESTS

Pray for the hearts of those who don't know Christ in Mexicali as we share the Gospel out into the community.

Pray for the students and the teachers here in Mexicali and for the MTS program.

Please pray for my walk with Christ as I minister to people and that my faith be strong in whatever situation I may face.

SCRIPTURE

“Then He said to His disciples, ‘The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.’”
